

MICHELLE ORBITO SUMMER EUROPE HEALING TOUR

Michelle Orbito is a spiritual heartwarming energy healer who travels around the world to share her divine gift of healing. Her accomplishments as a spiritual healer are truly remarkable as she has treated/ taught people from all walks of life through her divine healing gifts.

She is regarded as a modern-day faith healer/ spiritual healer combining her divine healing abilities.

..more about Michelle..

Since Michelle Orbito, is a child, she realized her healing abilities. In her private life, Michelle Orbito gave life to 4 children. She also studied beside, many spiritual and nature-based laws, always in aware of her healing abilities.

She always had the vision to connect this aspects with her healing gifts leaded by the divine power.

More and more, when her Dad, Alex Orbito, was not able anymore to offer healings (because of his age), Michelle Orbito received a strong reputation from the white lady with whom our beloved world-renowned Filipino healer, Alex Orbito, was strongly connected, who carried HIS healing mission around the world for many many years.

Michelle realised, she had to step more and more into her healing mission and she knows from her inner leading, she has also visit more and more the European area, to fulfill her OWN healing mission.. ...

She was aware that she had to continue her father's lifework, but also that she could bring it to a **new level**, that was adapted to the ever-increasing energies on our earth at this special time we all experience right now. Healing with a real feminine heartpower, as a true one, make healing more powerful than ever before.

AFTER the death of Alex Orbit, her divine call grew louder and louder, to expand her travels.

Her lovely humanity, her warmth, her true being opens more doors to healing deeply from the heart. In the devotion during the healing work and in the devotion to the spiritual guidance of the White Lady and other entities, each client can integrate new harmony and receive refreshed energy. Again and again people, who have undergone these lovingly guided healings, have also reported to feel Alex Orbito's presence strongly.

MICHELLE ORBITO is probably one of the few Filipino healers who managed to heal from the original Filipino way, to bring „a special healing art“ to life, seasoned with Lemurian primal power. Body, spirit and soul as one, with faith and surrender to the divine power.

The ability to feel also through a picture, distance healing, and removing negative energies or spiritual entities in a place is also a part of her healing work.

The fact that she also studied Biology, Psychology, Food Nutrition, Essential Oils, and Herbalism, is also very special for a philippino healer.

She founded also DAMA healing a Filipino way of spiritual and energy healing that lets you discover your spiritual and energy healing ability and teach you how to use your feelings.

“Dama” in Filipino means feelings.
